MAISON REGNERY

WOODLAND & STONE

Nature in its most enduring form

Rooted in woodland paths, forest light, and the quiet strength of the earth. Natural stones and carefully woven details evoke bark, leaves, embers, and the changing seasons.

THE COLOR PALETTE

Moss green · Deep forest · Jasper red · Copper · Warm brown · Soft gold

SIGNATURE DETAILS

Earth-toned gemstones, organic textures, copper accents, and sculptural beadwork.

Made by hand, made to last.
Timeless design, intentional beauty.

Copper Chevron

STATEMENT NECKLACE

THE STORY

A celebration of nature's strength and beauty.

Deep, earthy tones of bloodstone and onyx meet the warmth of copper in a striking chevron design.

Graduated strands frame the sculptural centerpiece, where every detail speaks to the care of handwork.

Confident yet timeless, Copper Chevron brings an unmistakable presence to Woodland & Stone.

Copper Chevron

BRACELET

THE STORY

A bold rhythm of copper and stone.

Echoing the striking geometry of its companion necklace, Copper Chevron brings sculptural energy to the wrist.

Earth-toned beads and dimensional woven rows create a rich interplay of color, texture and movement.

Distinctive on its own, this one-of-a-kind bracelet is a proud expression of Woodland & Stone.

EARRINGS

THE STORY

A graceful echo of copper and stone.

Copper Chevron Earrings capture the warmth and depth of the natural world in an intimate, handwoven design.

Faceted crystals catch the light, while bloodstone, onyx and copper-toned accents create a striking balance of shimmer and earthiness.

Designed to complement the Copper Chevron necklace and bracelet, these one-of-a-kind earrings are equally captivating on their own.

RING

THE STORY

A small treasure with a bold spirit.

Copper Chevron Ring distills the warmth and artistry of the collection into a beautifully sculpted form.

A bright line of faceted crystals glimmers against rich copper-toned beadwork, giving this handwoven ring texture, dimension and quiet drama.

Made individually, it is a distinctive finishing touch - and a worthy companion to the Copper Chevron family.

Bloodstone Woven

BRACELET

THE STORY

A study in the quiet richness of the natural world, this bracelet brings the earthy depth of bloodstone into focus through intricate handwoven beadwork.

Muted seed beads frame each bloodstone, adding subtle texture while letting the natural stones remain the center of attention.

Distinctive in character, it belongs naturally in Woodland & Stone.

MATERIALS

- Natural bloodstone
- Muted seed beads
- Dimensional handweaving
- One-of-a-kind piece

Forest Ember

STATEMENT NECKLACE

THE STORY

A jewel of woodland color, Forest Ember captures the quiet drama of mossy greens, deep burgundy and glowing ember-like markings.

An intricately hand-beaded bezel follows the natural character of the focal stone, while a woven rope gives the necklace graceful presence.

Bold, organic and singular, Forest Ember celebrates the beauty that nature creates and the artistry that frames it.

DRAGON BLOOD JASPER

Statement Necklace

EARTH, ARTISTRY & PRESENCE

A stone with a character all its own, dragon blood jasper anchors this distinctive necklace in the colors and textures of the natural world.

The richly patterned focal stone is surrounded by carefully worked beadwork, while a dark handwoven rope gives the design depth and balance.

Confident and quietly dramatic, this necklace honors the beauty of the stone and the patience of the hands that shaped its setting.

MATERIALS & CRAFTSMANSHIP

Dragon blood jasper focal stone
Hand-beaded bezel
Dark handwoven beaded rope
Individually finished necklace

RETAIL PRICE

$475.00

Made by hand, made to last.
